Contribution in Development of EMS in India:

Advance Clinical educator of EMS

I with my team manage world's fastest racing championship F1 and many others Federation International Automobile (FIA) accredited races in India.

I also manage EMS system of world's one of toughest off road rally format i.e Desert Storm Rally and BAJA rallies as Emergency Coordinator.

My team manages EMS of India's fastest Expressway corridor Yamuna expressway from Greater Noida to Agra.

My continuous Endeavour is make our roads and Race tracks safe for all by continuous learning and applying EMS Skills and strengthen chain of survival.

Anything you would like to say to Dr. Rajhans :

Dr. Prasad Rajhans sir been Pioneer in History of EMS of India.

He is our Mentor and Guru.

EMS of India is actually a brain child of Dr.Prasad Rajhans sir and very close to his heart and brain both.

His Excellent leadership quality and guidance always propel us to do better in field of EMS and as an empathetic human being of our society .

Kudos to all the achievement of you sir and wish you all the best for your entire Endeavour to make our society a safer place for all.
